## FALCONS PRE-MATCH COACHING CAMP

Our Pre-Match Coaching Camp is a perfect late Christmas present for your kids. It takes place on New Year's Day, before the Falcons v Worcester game. Falcons players and our Community Coaching team will be on hand to give professional hints and tips to all future Jonny (and Jenny) Wilkinsons. The day also includes a stadium tour, seats in the West stand for the game and the chance to be part of the human tunnel the teams run down to reach the pitch. All for only £25 per child.

The camp is open to boys and girls aged between 7 - 17. But early booking's essential as interest is bound to be high.
